

**JTJ Architects of Woodbury, Conn.
Awarded Best Of Houzz 2016**

*Over 35 Million Monthly Unique Users Nominated Best Home Building,
Remodeling and Design Professionals in North America and Around the World*

Best of Houzz 2016 - Client Satisfaction

This professional was rated at the highest level for client satisfaction by the Houzz community.

Awarded on January 11, 2016

Woodbury, Conn. January 13, 2016 – JTJ Architects of Woodbury, Connecticut has won “Best Of Customer Service” on [Houzz®](#), the leading platform for home remodeling and design. The **Litchfield County based design and architectural practice with Principal Joana Tan Jamo, AIA**, was chosen by the more than 35 million monthly unique users that comprise the Houzz community from among more than one million active home building, remodeling and design industry professionals.

The Best Of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners’ work was the most popular among the more than 35 million monthly users on Houzz. Customer Service honors are based on several factors, including the number and quality of client reviews a professional received in 2015. Architecture and interior design photographers whose images were most popular are recognized with the Photography award. A “Best Of Houzz 2016” badge will appear on winners’ profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“JTJ Architects is much honored to be recognized for Best Of Houzz 2016 Service Award. To receive client satisfaction is an ultimate reward and endorsement; one that defines a successful project. This recognition serves as a boost to continue to work harder, to keep current with best practices, new systems and technology, continuously improving the design process in order to give our clients a positive experience while working towards achieving a happy, healthy, resilient and inspired space to live and work in.”

“Anyone building, remodeling or decorating looks to Houzz for the most talented and service-oriented professionals” said Liza Hausman, vice president of Industry Marketing for Houzz. “We’re so pleased to recognize **JTJ Architects**, voted one of our “Best Of Houzz” professionals by our enormous community of homeowners and design enthusiasts actively remodeling and decorating their homes.”

About JTJ Architects

JTJ Architects is a Design and Architectural practice based in Woodbury, Connecticut, offering architectural services to residential and commercial projects.

JTJ Architects' seeks to provide **sensible and contextually sensitive** architectural solutions that **surpass trends** to meet our clients' specific needs while seeking to maximize efficiencies in space usage, capital costs and enduring life-cycles.

JTJ Architects strive to treat each project with equal **care, attention and passion no matter how big or small** - from concept to completion.

JTJ Architects believe that **one size does not fit all** and there exists more than one solution to any project. Through a reiterative process, JTJ Architects, as your design collaborator, strive to explore various design possibilities, with the ultimate goal of helping you find the optimal design solution that best fits your needs, dreams and budget.

As trained design professionals and member of the American Institute of Architects, we seek to provide architecture that is not simply **harmonious and proportioned**, but that is also **efficient, resilient and durable**. We seek to be current with the latest knowledge in Building Code requirements, Construction Best Practices, Building Science concepts and technology and its practical application.

Seeking our role as your "lens", we filter out and leave **only the essence that matters** to your project.

The Principal, Joana Tan Jamo, is a member of the American Institute of Architects and is licensed to practice Architecture in the States of Connecticut, New York and Maine. For more information, visit www.jtjarchitects.com or call: 203.586.9843.
